

INTAKE 2025

OTHM FULL COURSE

(With OTHM Qualifications Certification Level 5,6 & 7)

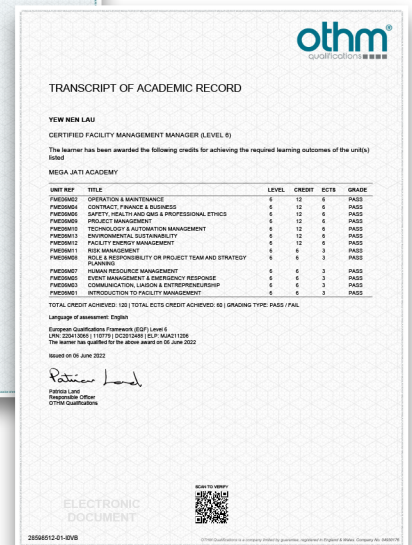

Whether you're currently employed or looking to work or enhance your existing knowledge and skills, OTHM qualifications will allow you to go ahead of the competition in an increasingly challenging job market. Mega Jati ACADEMY accredited programs are qualified under the Endorsed Learning Program (ELP). The level of a qualification is based on the generic knowledge and skills a learner able to demonstrate once they have achieved that particular qualification.
